On June 1st, after faithfully and efficiently serving our library for twenty-seven years, Mrs. Ray Howard resigned. For fifteen years she had been our librarian and for the preceding twelve years she had been assistant librarian under Mrs. Josephine Evans. Her resignation was accepted with great regret.

Mrs. Howard's assistant, Mrs. Harry Deal, was chosen to succeed her and Mrs. Burgess Metcalf was made assistant.

The Library Trutees voted, in October, to increase the librarian's pay from 25 to 40c per hour.

The circulation of books is increased by books from the "Book-mobile" which calls several times during the year. We greatly appreciate this service and we also thank our many friends who donate books and magazines.

Pupils who have had perfect attendance during 1946-1947:

Nancy Day, Ronald Gardner, Ronald Winn, and Martina Day.

TEACHERS AND PUPILS

A complete turnover in the teaching staff necessitated employing two new teachers for the 1947-48 school year. Mrs. Carole Bowker of Bradford, Vermont was secured as principal to teach grades 5-8. Mrs. Bowker is a graduate of Plymouth Teachers College and

has had several years of teaching experience. Mrs. Josie Bowles of Littleton, New Hampshire was employed for the lower grades. Mrs. Bowles attended both Plymouth and Keene Teachers Colleges and is also a teacher of long experience. Mrs. Christie Goodwin of Piermont succeeded Mr. Childs as Music Supervisor.

Building and Grounds—

The grounds have been improved by resurfacing. This should do much to relieve the muddy condition of the school yard in the spring.

The District should be commended for its forward step in installing running water and a kitchen in its school plant. Piermont has, undoubtedly the best equipped school lunch kitchen, for a school of its size, in any area in New Hampshire. The theme of education today is the "Growth of the Whole Child." The installation of this modern equipment and its use will materially affect the realization of the physical phase of the above objective. The School Lunch Program is one meriting the favorable support of all the citizens of the District. I sincerely hope that the District will follow the initial steps already taken by raising sufficient funds to carry on this excellent program for the coming year.

The support and cooperation of the School Board, teachers, pupils and the citizens of the District have been most gratifying to me, a new member in your school system. The friendliness of all to both Mrs. Bennett and myself is a prized possession. May we continue to merit your loyalty.

Respectfully,

PHIL A. BENNETT,
Superintendent of Schools.
